# COLLECTION AND ASSIGNMENT LAWS.

**ASSIGNMENTS.**—Any creditor for \$200 and over, whose claim is unsecured, may make a demand on a debtor to make an assignment or abandonment. If debtor who has ceased his payments refuses to abandon or assign his property he may be compelled to do so by a writ of *capias*. The assignment is made to a curator appointed by the court, on advice of a meeting of creditors on the vote of the majority in number and value. The curator or trustee realizes assets, and divides the proceeds among creditors, but the debtor is not discharged by such assignment. Creditors accepting the dividend may still retain claim versus debtor for balance.

**ATTACHMENTS.**—Attachments before judgment issue on production of affidavit by creditor or agent that debtor is about to abscond, or secrete goods with a view to defeat or defraud his creditors.

**CHATTEL MORTGAGES.**—There are no such instruments known to the law in Quebec. If a debtor wishes to secure a debt by chattels, he must deliver them absolutely to the creditor.

**COMMISSIONS.**—Commissions for the taking of evidence outside the Province of Quebec may issue from the Circuit Court and Superior Court.

**CONDITIONAL SALES.**—The courts recognize and protect contracts, whereby the thing sold remains the property of the unpaid vendor, until all instalments of the sale price have been paid. This applies to contracts in use with regard to the sale of machinery, sewing machines, pianos and other articles of that kind on time, with payments by instalments. In cases arising out of such contracts, the courts here have held that the vendor had a right, on the failure of the person to whom the article was sold, to recover back his machine or article, or whatever it may be, against the claims of the creditors of the purchaser.

**CONTRACTS OF MARRIED WOMEN.**—A wife who is a public trader, may, without the authorization of her husband, obligate herself for all that relates to her commerce, and in such case she also binds her husband, if there be community between them. A wife cannot bind herself by note or otherwise to pay her husband's debts.

**EXECUTION.**—Execution can only issue in fifteen days after judgment, unless cause is shown by plaintiff that defendant is making away with his property, when he can procure its issue immediately. But where the judgment is entered for goods sold and delivered or upon promissory notes, etc., the execution may issue eight days after judgment. Execution can only be stayed by opposition of defendant, supported by affidavit which can be filed on the ground of informality in seizure, or seizure of goods of third party though in possession of defendant. Cases tried in the ordinary way, to test these rights, takes from two to three months.

**EXEMPTIONS.**—The exemptions from execution are beds, bedding and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles, not to exceed \$50 in value. All necessary fuel, meat, vegetables, fish, flour not more than sufficient for ordinary consumption of debtor and family for three months; one cow, four sheep, two hogs and food therefor for thirty days; tools and implements of, or chattels ordinarily used in debtor's occupation, not to exceed \$200 in value; a horse used in certain cases.

**HOLIDAYS.**—Sundays, New Year's Day, Epiphany, Ash Wednesday, Good Friday, Easter Monday, Ascension, All Saints, Conception, Christmas, the Birthday of the Sovereign, or the day fixed by proclamation for its celebration, the 24th of May being Victoria Day, and 1st of July, and any day fixed by the Governor-General or Lieut. Governor as a public holiday, as a day of general fast or thanksgiving, or as a labor day are legal holidays. Negotiable paper falling due on those days or on a Sunday are due only the day after and must be protested then.

**INTEREST.**—Interest may be charged when defendant has promised to pay it, or when a usage or course of dealing has been proved, under which defendant has been in the habit of paying interest. When no rate agreed upon legal rate is 5 per cent.

**JUDGMENTS.**—Judgments may be obtained at any time in default cases, but if the defendant appears by attorney, judgment cannot be entered between July 1st and August 31st; but in commercial matters like notes or open accounts, defendant must file a plea or an affidavit that he has a serious defense. Judgments may be obtained where no defense interposed in eight or nine days, and in both cases one extra day must be allowed for every fifty miles that defendant lives from the place where the court is held, over and above the first fifty miles. In case of an absentee defendant, he may be called by advertisement in the newspapers, if defendant has not appeared. Special provisions relating to actions based upon commercial contracts are designed to expedite the trial and judgment therein. A judgment is good for thirty years. No judgment notes are allowed in Quebec.

**JURISDICTION OF COURTS.**—Circuit Court up to \$100; Superior Court, all amounts above \$100; notes and accounts are outlawed in five years.

**LICENSES.**—No law exists in this Province requiring commercial travelers to take out a license.

**MECHANICS' LIENS.**—The only thing of this kind we have in the Province of Quebec is the builder's privilege, under which the laborer, workman, architect and builder may exercise a privilege upon the real estate property improved by their work. The privilege exists in favor of the laborer, workman and builder during the whole time they are occupied at the work without registration, and with registration provided it be registered within thirty days after the completion or cessation of the work. The architect and builder must inform the proprietor of the immovables of the contracts they have made with the chief contractor within eight days from the signing thereof. Suits against the proprietor in such cases must be entered within one year after the privilege has been registered.

**VERIFICATION OF ACCOUNTS.**—No verification is wanted; accounts if not contested, may be proved by affidavits taken even outside the Province of Quebec, by competent persons; to wit, notaries or commissioners specially appointed for that purpose by judges of the Province of Quebec, etc., and accounts contested, and other claims contested or not, must be proved out of mouth of defendant or by witnesses examined in Court or under commission; if the witnesses reside outside of the Province, or even within the Province at a distance of more than one hundred miles from the place where the Court is held.

# MAGDALEN ISLANDS.

# COLLECTION AND ASSIGNMENT LAWS

**ASSIGNMENT.**—No trader can make a voluntary assignment preferring certain creditors. Any such assignment can be set aside as fraudulent. Any person may make an assignment for the purpose of distributing his estate rateably among all his creditors. All assignments for the general benefit of creditors must be made to some person residing within the judicial district in which the assignor resides or carries on business.

**ATTACHMENTS.**—All the personal property and effects of a debtor liable to seizure under execution may be attached: Provided that when debtor leaves no wife or family behind no property of such a debtor shall be exempt from seizure. (a) When the debtor has absconded from Saskatchewan leaving personal property therein liable to seizure under execution for debt, or (b) has attempted to remove such personal property out of Saskatchewan, or to sell or dispose of the same with intent to defraud his creditors generally or the plaintiff in particular, or (c) keeps concealed to avoid service of process after the commencement of any suit where the claim is for the recovery of a debt of \$50 or upwards. The writ issues, upon affidavit of the creditor, his servant or agent, setting out grounds, supported by affidavit of one other credible person.

**BILLS OF EXCHANGE AND PROMISSORY NOTES.**—These are governed by laws of the Dominion as to days of grace, protest and notice. Notes do not bear interest until after maturity, unless otherwise expressed on face. Interest allowed at 5 per cent. after maturity unless otherwise expressed.

**CHATTEL MORTGAGES.**—Must be filed within 30 days from date of execution, and are valid for two years from filing, but must be refilled within 30 days of the expiration of the first two years, and after that they must be refilled every year. The office for filing chattel mortgages is the clerk's office of the registration district in which the goods are situated.

**COMMISSIONS.**—May issue from the Supreme Court of Saskatchewan in any suit pending therein, where witness is outside of Saskatchewan. Costs of commission will be allowed to successful party.

**EXECUTIONS.**—Can issue on all judgments from date of judgment, unless otherwise ordered by judge, who can direct execution to issue at any time. Executions bind the goods of debtor from time of delivery to sheriff, and his lands from registration. Lands cannot be sold under execution against lands, until expiration of one year from time of delivery to sheriff. Executions expire at two years from date of issue, unless renewed before that time. No execution against lands will be issued, unless amount of judgment, debt and costs exceed \$50.

**EXEMPTIONS.**—The following are the exemptions from seizure under all writs of execution issued by any court in Saskatchewan: (1) The necessary and ordinary clothing of the defendant and his family; (2) furniture and household furnishings belonging to defendant and his family to the value of \$500; (3) the necessary food for the defendant's family during six months, which may include grain, flour, vegetables and meat prepared for use or on foot; (4) two cows, two oxen and one horse, or three horses or mules, six sheep and two pigs, besides the animals chosen for food purposes, and food for same for winter months; (5) the harness for three animals, one wagon or two carts, one mower or cradle, and scythe, one breaking plough, one cross plough, one set harrows, one horse rake, one sowing machine, and one reaper or binder; (6) the books of a professional man; (7) the tools and necessities used by the defendant in the practice of his trade or profession; (8) seed grain sufficient to seed all his land under cultivation, not exceeding 80 acres, at the rate of two bushels per acre and fourteen bushels potatoes; (9) the homestead of the defendant, provided it does not exceed 160 acres—if more, the surplus may be sold subject to any incumbrance thereon; (10) the house and building occupied by the defendant, also the lot or lots on which the same are situate according to the registered plan of the same, to the extent of \$1,500; the defendant is entitled to his choice from a greater number of articles of same class.

**INTEREST.**—May be recovered on open accounts from and after demand of payment, and notice that interest will be charged if account be not paid. Legal rate of interest is 5 per cent.

**JUDGMENTS.**—In all cases writ of summons may be issued, returnable twenty days after service where defendant resides in same district, and twenty five days where he resides in another district. If defendant does not before return day file with the clerk an appearance, and within six days thereafter file a defense, the plaintiff may sign judgment after return day. Judgments are good for ten years from date.

**JURISDICTION OF COURT.**—The Supreme Court of Saskatchewan and District Courts have jurisdiction in all civil cases. The judicial districts of the courts are: Battleford, Cannington, Moose Jaw, Moosomin, Prince Albert, Regina, Saskatoon and Yorkton.

**VERIFICATION OF ACCOUNTS.**—All accounts and claims must be proved by oral evidence (by commission if necessary), if the defendant disputes the claim. In other cases judgment is obtained by default, or affidavit, if defense is only for time.
